

Photo App Overview

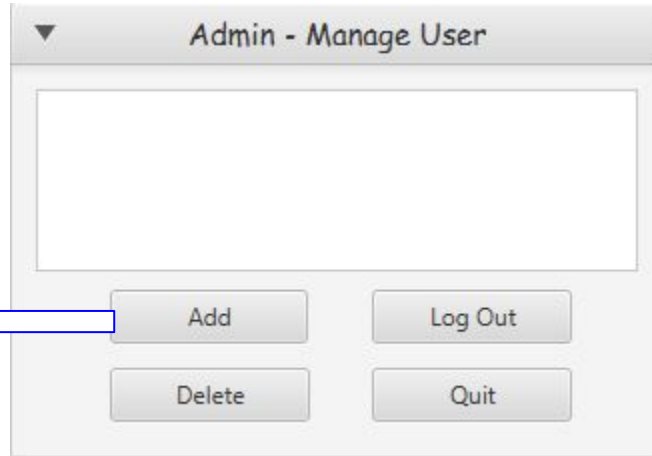

Login Screen Overview

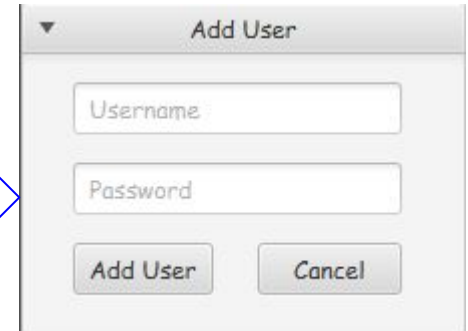

Admin Screen Overview

When the Add button is pressed, a second window pops up that prompts the user for a new Username and Password

1

The 'Admin - Manage User' window features a large empty rectangular area at the top. Below this area are four buttons arranged in a 2x2 grid: 'Add' (top-left), 'Log Out' (top-right), 'Delete' (bottom-left), and 'Quit' (bottom-right).

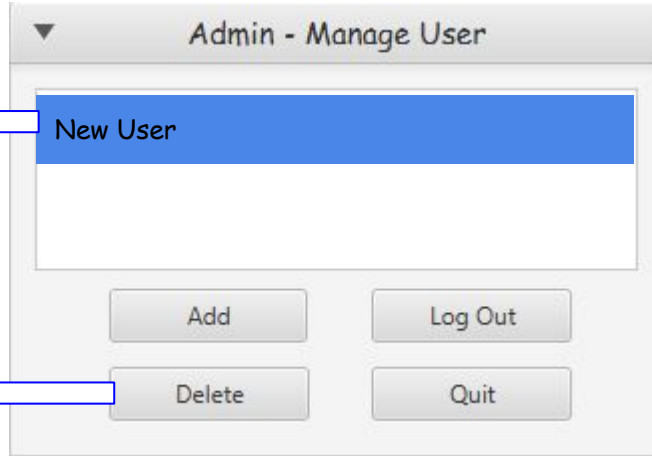

The 'Add User' window contains two text input fields: 'Username' and 'Password'. Below these fields are two buttons: 'Add User' and 'Cancel'.

Admin Screen Overview

In order to select a user, just click on the user's name on the ListView

1

When the Delete button is pressed, a second window pops up that prompts the user if they are sure they want to delete the selected user

2

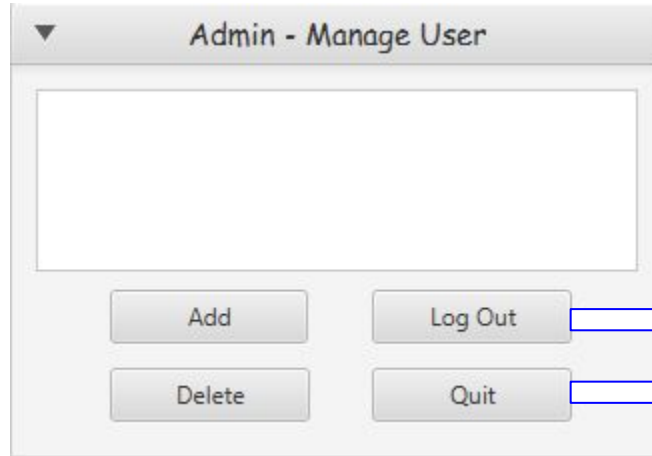

ARE YOU SURE?

YES

NO

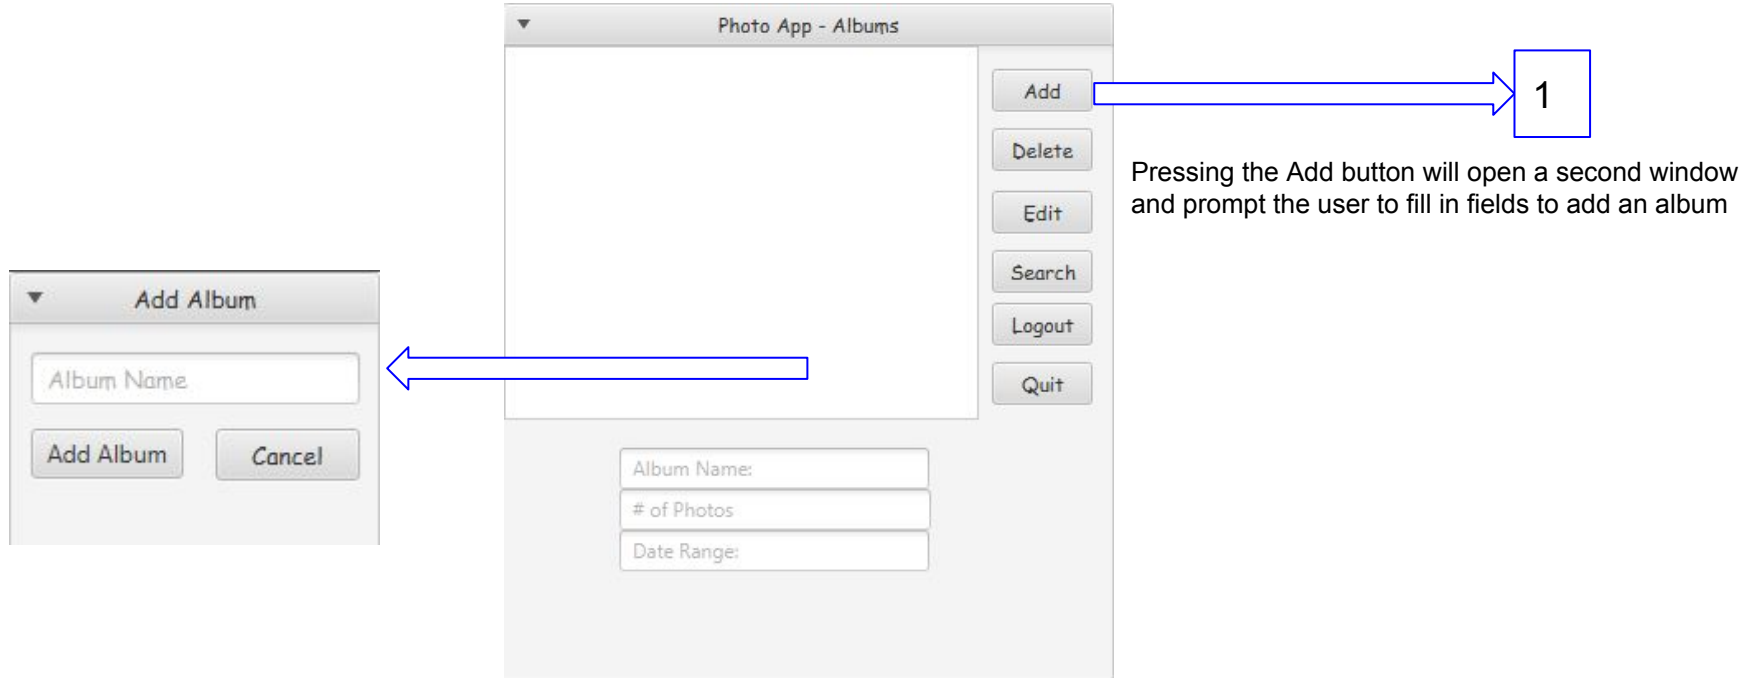

Admin Screen Overview

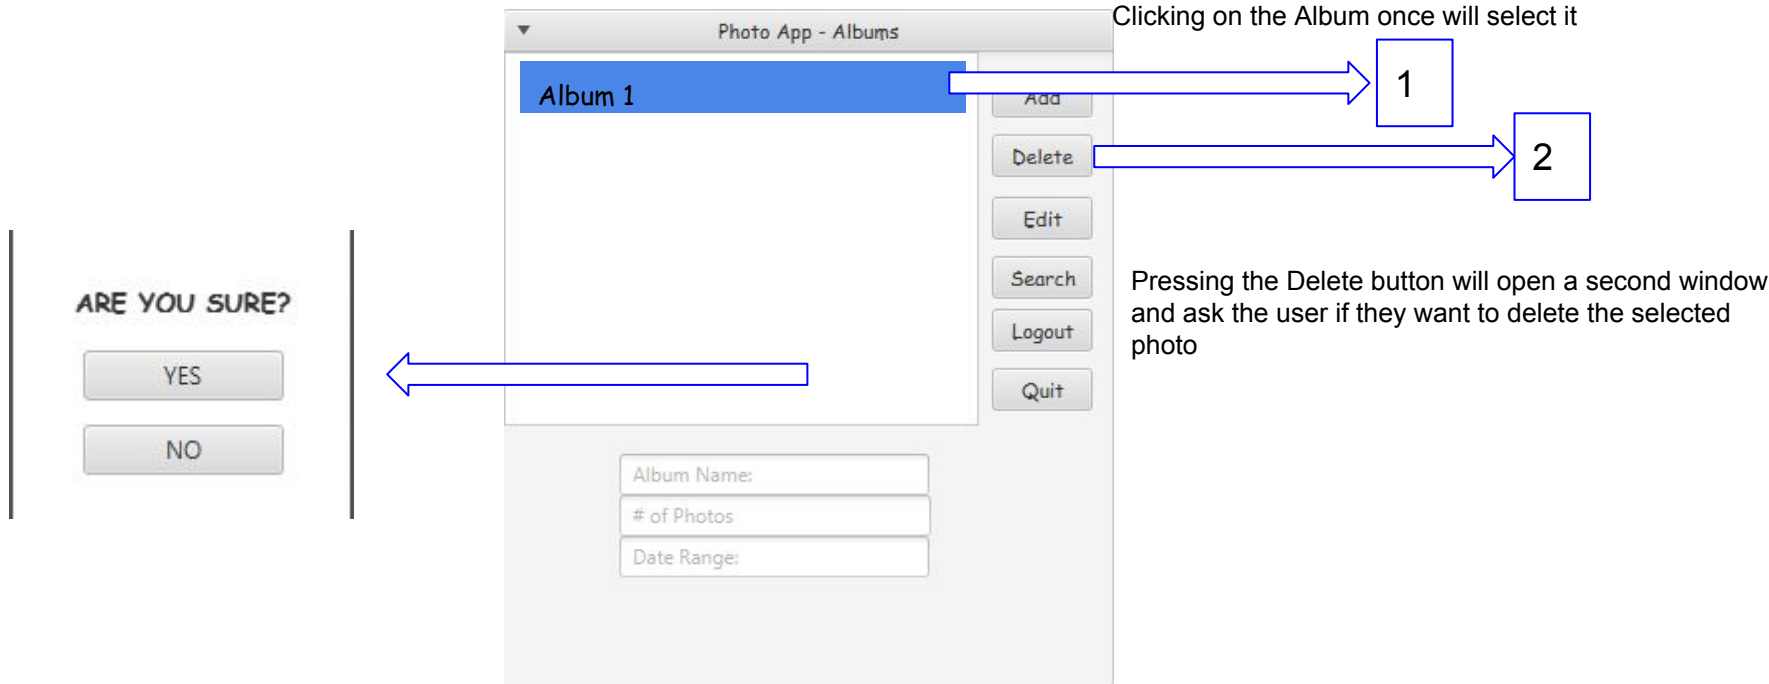

The Log Out button takes you back to the login page, while Quit safely closes the application

The Logout button returns the user to the Login screen and the Quit button safely exits the application

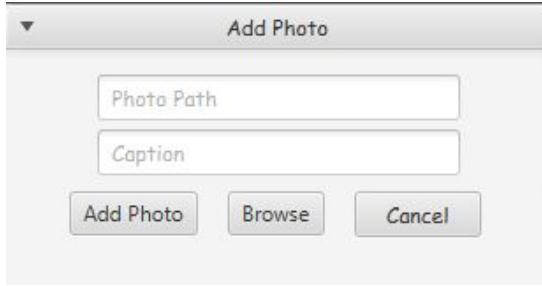

Album Screen Overview

1 2

Double clicking the album will prompt a scene change and take the user to the photo screen, where they will be able to view and manage their Photos

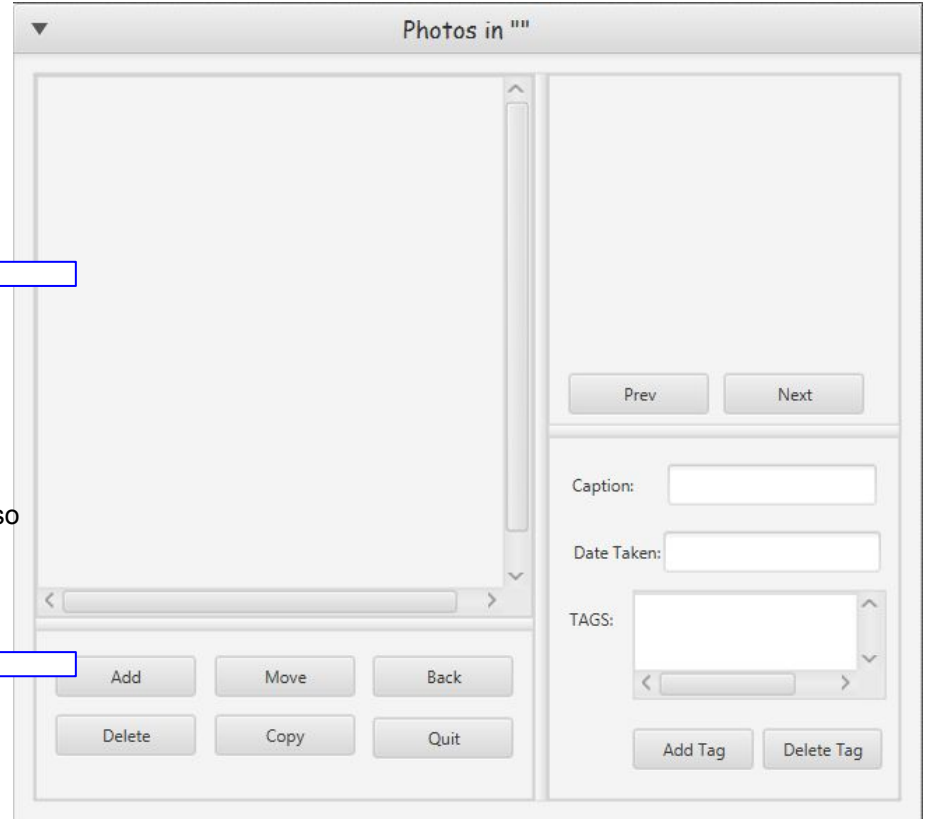

Photo Screen Overview

A small dialog box titled "Add Photo" with a dropdown arrow on the left. It contains two text input fields: "Photo Path" and "Caption". Below the fields are three buttons: "Add Photo", "Browse", and "Cancel".

Clicking the Add button will open a second window and prompt the user for a file path for the photo and photo caption; the user can also use the browse button to find the file path and populate that field

1

A larger window titled "Photos in "" with a dropdown arrow on the left. It features a large central area for displaying photos. To the right of this area are two buttons: "Prev" and "Next". Below these are two text input fields: "Caption:" and "Date Taken:". Below the "Date Taken:" field is a "TAGS:" section with a text input field and a small scrollbar. At the bottom of the window are six buttons arranged in two rows: "Add", "Move", "Back" in the top row, and "Delete", "Copy", "Quit" in the bottom row.

Photo Screen Overview

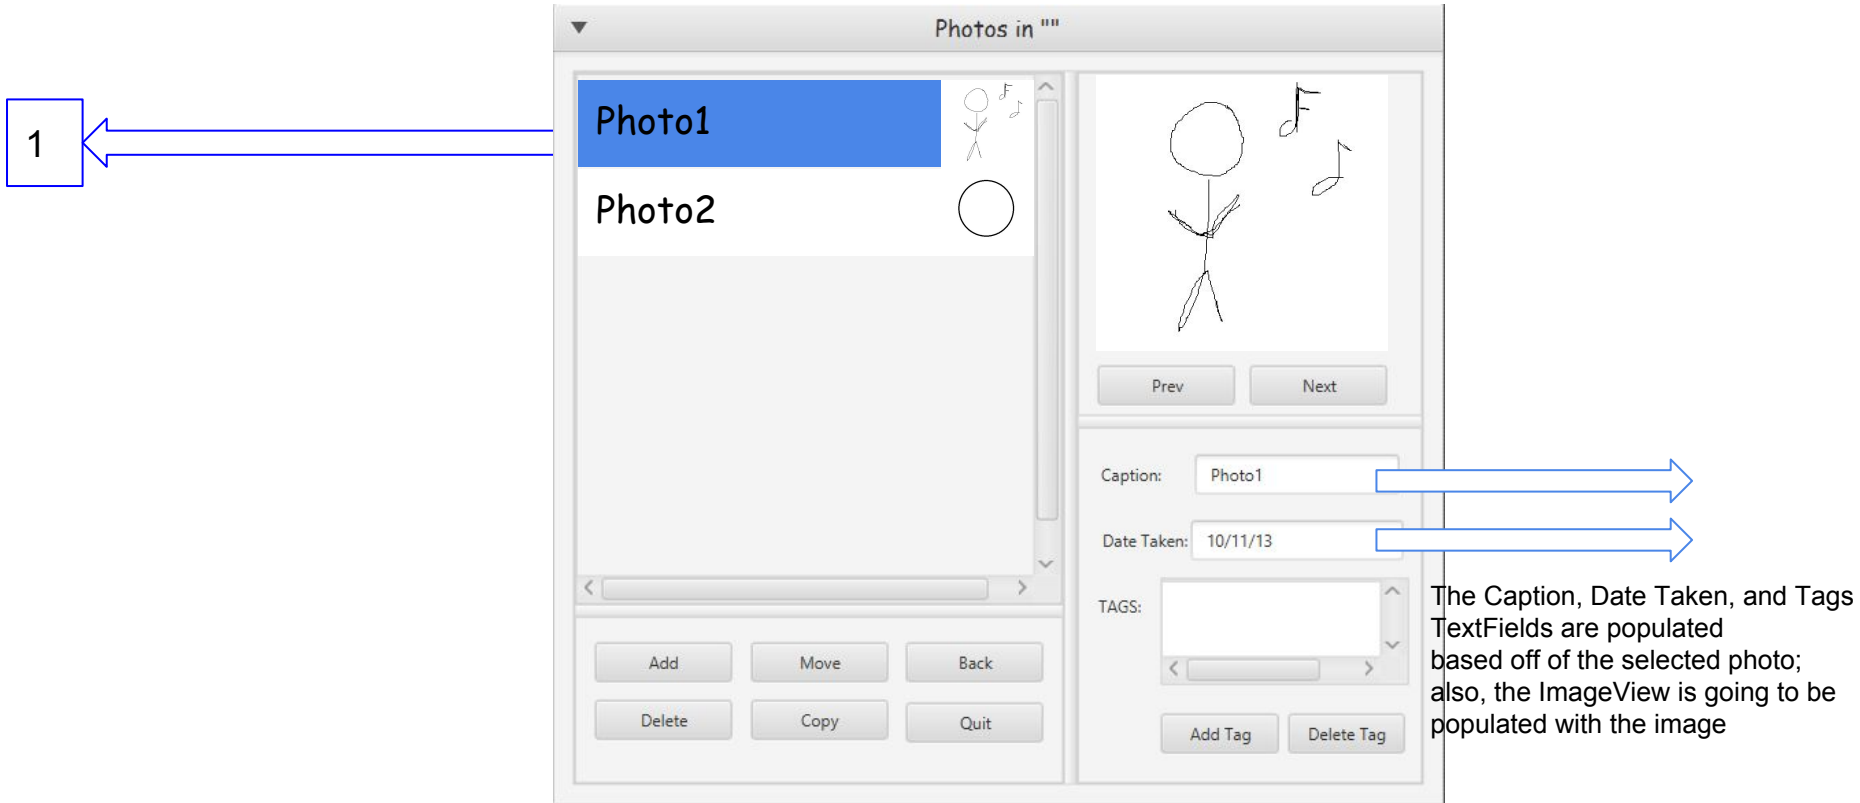

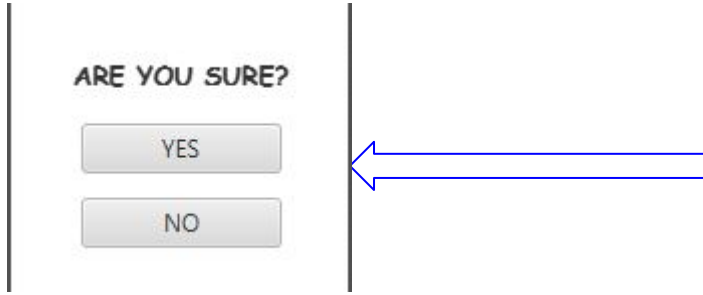

Photo Screen Overview

Clicking the Delete button will open a second window that will prompt the user on if they want to delete the selected photo or not

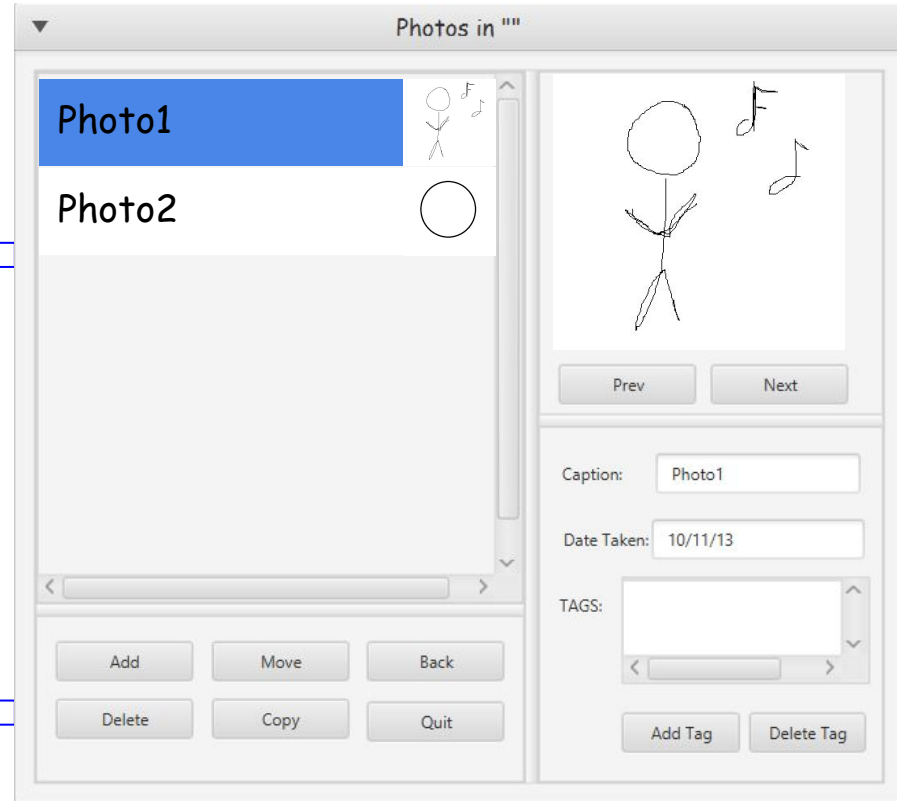

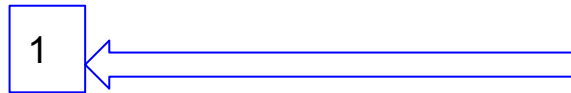

Photo Screen Overview

Clicking the Move button will open a second window that will prompt the user on selecting an album from the ListView to move the selected photo

1

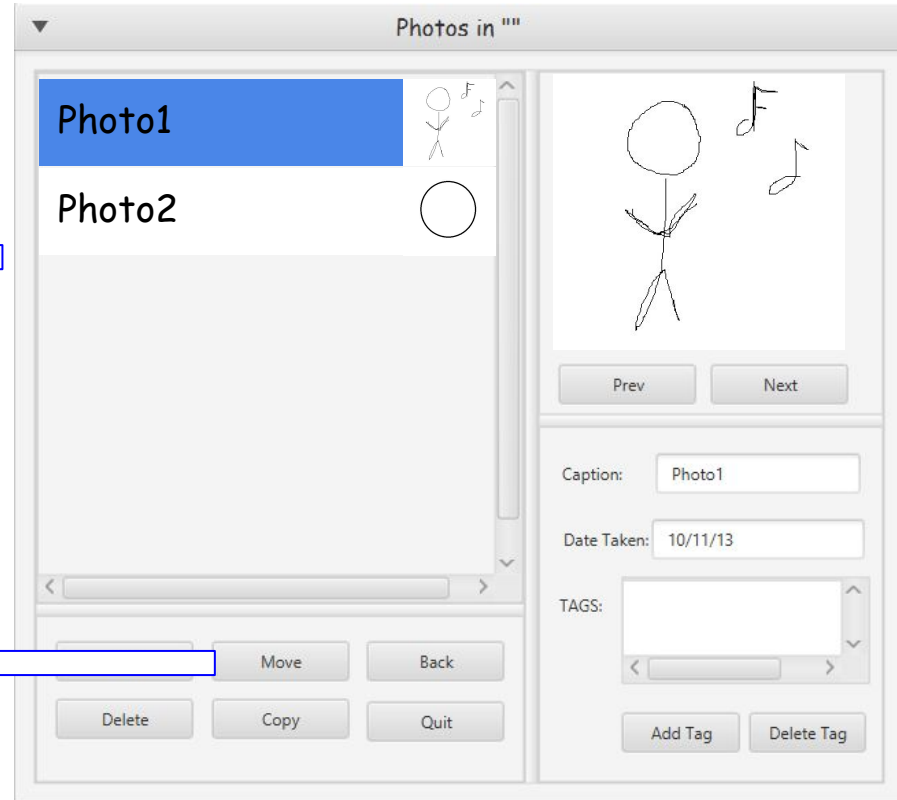

Photo Screen Overview

The Back button takes the user back to the Album screen and the Quit button safely exits the application

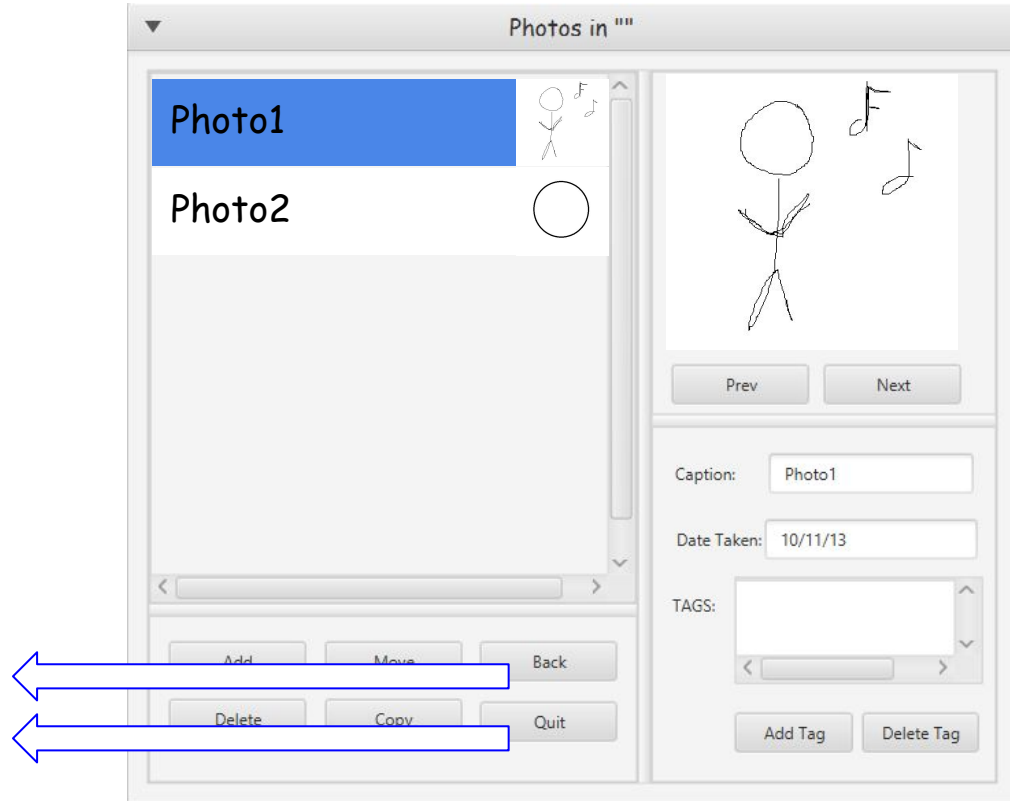

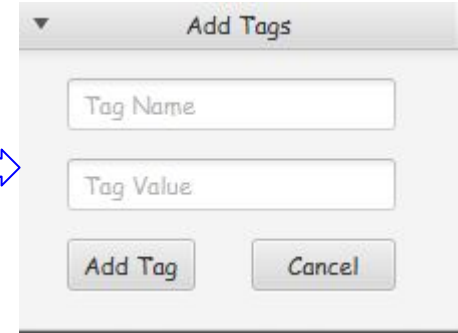

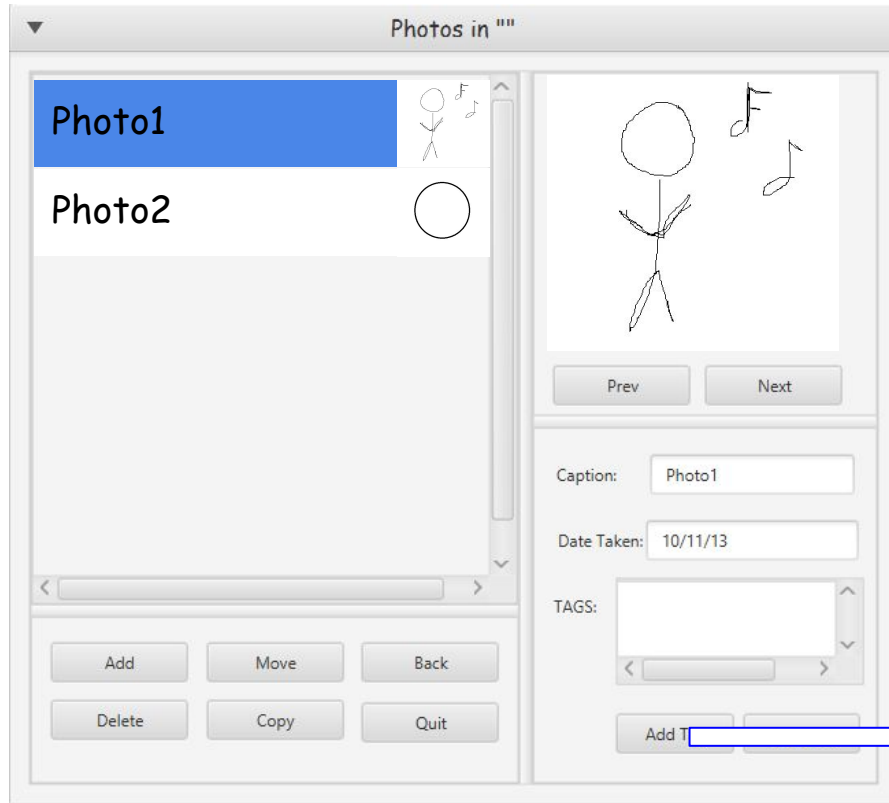

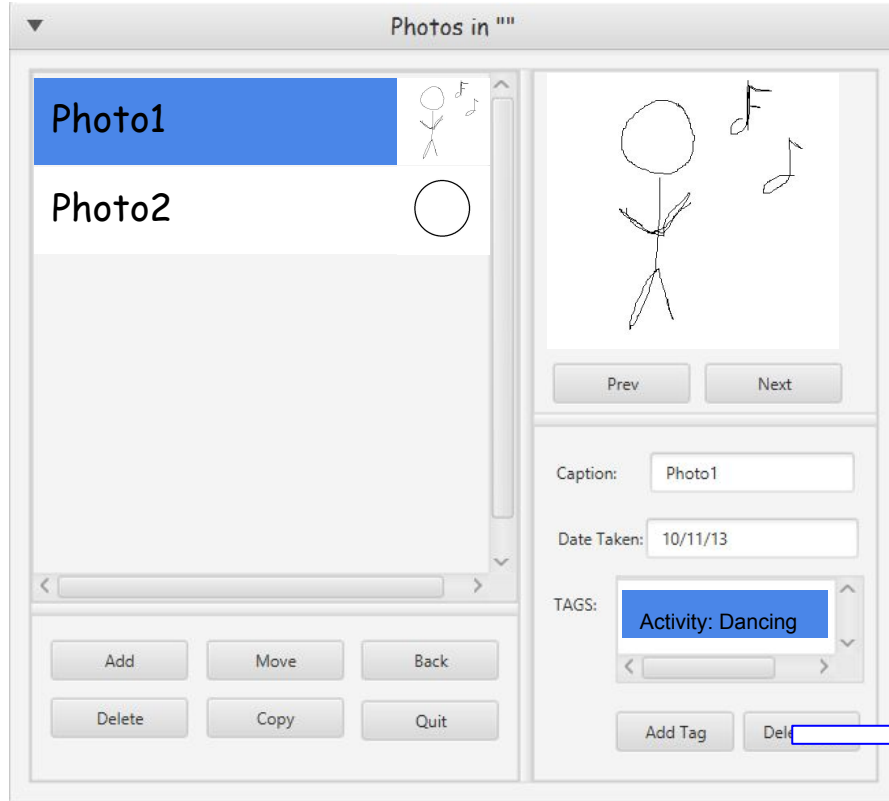

Photo Screen Overview

Pressing the Add Tag button would open a second window and prompt the user for Tag Name and Tag Value

1

Photo Screen Overview

ARE YOU SURE?

YES

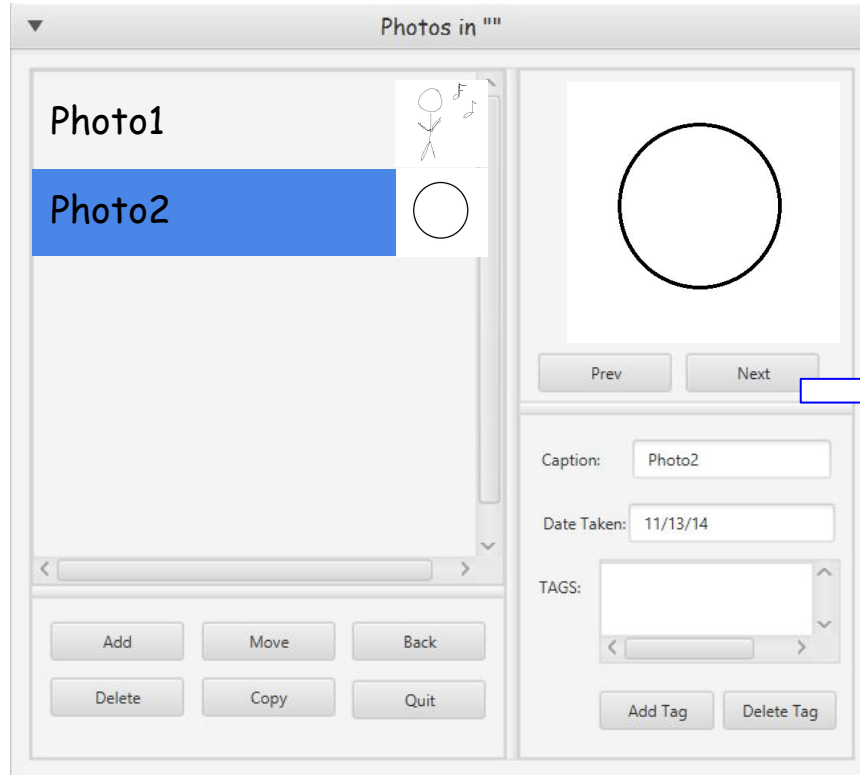

NO

Pressing the Delete Tag button would open a second window and ask the user if they're sure they want to delete the tag
